

Dear Valued Customer:

As the new season approaches, we want to express our sincere appreciation for your patronage and look forward to again serving your equipment, parts, service and rental needs in 2010. We value the many relationships we have and will continue working hard to serve the needs of the community for many years to come.

As we move into our 44th year of operation, we reaffirm our commitment to provide you with only the best products and services available on the market. You will read in this edition of long-standing traditions and ways in which we strive to continually improve the way we do business—our Annual Spring Special, product offerings from our line of top-quality construction and agricultural manufacturers, and of our relationship with Kings-Ransom Farm LLC, a loyal Capital Tractor customer. Be sure to look for more familiar names as we profile local businesses, as well as the latest incentives and promotions we offer, through the medium you prefer, to bring you maximum value.

Capital Tractor is a resource for you and your business. Since 1966, we have taken great pride in serving your specific needs and the needs of the community as a whole. We assure you of a similarly dedicated effort in 2010 and for many years to come.

Sincerely,
Jamey Gibson, President

Since 1966
