Randy Bingner, Chapter Director

The Winter of 2009. Someday, I will sit my grandchildren on my knee and tell them about the Winter of 2009. It was so cold and snowy that I barely had a chance to ride my motorcycle each month. And even then, I had to ride it uphill both ways.

In the nine winters I have lived in Pierre, I have been spoiled by the mild weather. I could just leave the motorcycle by the garage door, pointed out, and every time the weather got in the 30s, 40s, or 50s, I could unplug the battery tender and go for a ride. This winter, however, has been different. This year we have actually had Winter. Now that the hunting seasons have all but ended, I really have no use for any more cold or snow. I am getting a bit anxious, and it is still January. I keep looking at the ten day forecast and waiting for a break.

I have my 2009 H.O.G. Touring Handbook and my calendar on the coffee table in front of me, and they are already getting dog-eared and coffee-stained. All I can do on these cold evenings is flip through the pages and fill in ideas for the warmer weather.

Your Central South Dakota H.O.G. Chapter is providing opportunities to ride this summer. I hope you pencil these in and plan to attend. We have rides for every interest: 3 dinners rides each month again this summer, the Memorial Weekend Ride through Wyoming, and the National H.O.G. Rally in Oklahoma City in late June, and the State Rally in Watertown are just some of the highlights.

If you are not already planning to attend several of these rides, I suggest you give it a thought and plan on sharing the ride with us. Great people. Great machines. Great Rides. Great Times.
